Rhode Island's Combined Heat and Power (CHP) Programs: An Informational & Public Comment Meeting

Have you participated in National Grid Rhode Island's Combined Heat and Power (CHP) incentive program?

Are you interested in a CHP system for your facility?

Please join us to share your experience or to learn more about CHP programs in Rhode Island. This public comment meeting will be held at the National Grid Energy Innovation Hub in Providence, which offers interactive exhibits where Rhode Islanders can learn how they can take action towards creating a clean energy future.

Thursday, May 2nd

4:00-5:00 PM

The Energy Innovation Hub
*Inside the Dunkin' Donuts Center
at the Corner of Sabin St &, La Salle Square,
Providence, RI 02903*

Please RSVP by April 27th to rieermcevents@gmail.com.

Agenda:

- 4:00-4:05** Welcome & Introduction - Energy Efficiency and Resource Management Council
- 4:05-4:25** Overview of National Grid's CHP Program + Feedback/Q&A
- 4:25-4:45** CHP Financing Opportunities through the RI Infrastructure Bank + Feedback/Q&A
- 4:45-4:50** University of Maine U.S. DOE CHP Technical Assistance Partnership
- 4:50-5:00** Additional Public Comment

Hosted by:
